Transfer Recommendations and Notes:

For a list of transferable courses, consult the Transferability Guide for the Sophomore Year. For consideration among the electives in the Sophomore Year, a field school or equivalent experience is required. Transfer recommendations include:

- Anth 4140 Fieldwork in Wyoming Archaeology
- Anth 4140 Collaborative Archaeological Project
- Anth 4140 General Field School

Consult faculty about alternative ethnographic and archaeological field school opportunities.

Transfer Recommendations and Notes

Elective courses are expected to complement the student's interests in anthropology. Additional courses in biological sciences, geology, and statistics are recommended. Additional courses in linguistics, sociology, and psychology are also recommended. Students should consult with their advisor for appropriate transfer courses. Students should consult with their advisor for appropriate transfer courses. Students should consult with their advisor for appropriate transfer courses.

An internship is required for the Anthropology BA degree. It should be completed in the summer of the junior year. Credit for the internship is earned through the completion of the internship report.

- Anth 4970 Internship 1-12 hours
- Anth 4975 Undergraduate Practicum in Anthropology 1-24 hours

This is a guide for course work in a mandatory actual course. Not all courses are required. Students should consult with their advisor for appropriate transfer courses. Students should consult with their advisor for appropriate transfer courses. Students should consult with their advisor for appropriate transfer courses.

University of Wyoming Requirements include: Students must have a minimum cumulative GPA of 2.0 to graduate. Students must complete 42 hours of upper division coursework, 30 of which must be in anthropology. Courses must be taken for a letter grade.
